[www.messefrankfurt.com](http://www.messefrankfurt.com)[www.messefrankfurt.ru](http://www.messefrankfurt.ru)**The main lighting design event - Interlight Design Academy  
Moscow, IEC "Expocentre", November 6-9, 2018.**

The open educational venue Interlight Design Academy will bring together the best representatives of lighting design and architectural community. IDA continues its collaboration with well-known lighting designers.

The four-day program includes various lectures, seminars and workshops from representatives of companies, implementing large projects. Particular attention deserves the lecture "Light is the fourth dimension of architecture", delivered by the Head of ERCO Russia & CIS, Roman Milstein.

Mikhail Sivak, LG Displays will share with company's experience and the latest developments in "OLED lighting".

The unique trend-zone "Lighting Cube" will demonstrate more than 50 modern trends in lighting design for commercial and residential interiors, as well as outdoor, architectural and landscape lighting. All equipment will be integrated under intelligent control system, which arranged for various lighting scenarios presentation. Visiting this conceptual space allows not only to see the solutions, but also to receive advice from leading industry experts.

For every specialist in his field is important to differentiate itself properly in the context of rapidly changing field of design, lighting design, and subject design. Therefore, the integral part of Interlight Moscow powered by light + building is the contest "Russian Lighting Design". The contest is organized among young designers and professionals from design companies aimed to make lighting not only effective and modern, but also aesthetic and comfortable.

#### **Background information on Messe Frankfurt**

Messe Frankfurt is the world's largest trade fair, congress and event organiser with its own exhibition grounds. With more than 2,400 employees at 30 locations, the company generates annual sales of around €669 million. Thanks to its far-reaching ties with the relevant sectors and to its international sales network, the Group looks after the business interests of its customers effectively. A comprehensive range of services – both onsite and online – ensures that customers worldwide enjoy consistently high quality and flexibility when planning, organising and running their events. The wide range of services includes renting exhibition grounds, trade fair construction and marketing, personnel and food services. With its headquarters in Frankfurt am Main, the company is owned by the City of Frankfurt (60 percent) and the State of Hesse (40 percent).
